RULES GOVERNING SEASONAL CAMPERS AND GUESTS

- The seasonal site fee provides one family (**a family is a husband and/or wife and children to age 18**) to unlimited access of Whispering Oaks. The campground season runs from the second Friday in April to the second Sunday in October. Seasonal guests are not charged for daily visits but are charged \$10.00 per guest for staying overnight. Grandchildren of our guests are not charged any fees. Anyone staying in your unit when you are not there pays a daily fee of \$25.00 per family. Whispering Oaks reserves the right to restrict unescorted visitors. Prior office approval required for unescorted guests.
- Any trailer sold on the grounds must pay a fee to Green Lake Campground in the amount of 5% of the sale price. Trailer must be less than 10 years old. Park Model units are exempt from 10 year rule and will be reviewed on an individual basis. This allows the new purchaser to assume your old site. **Green Lake Campground reserves right of final sale approval.**
- Seasonal residents must pay a \$250 electric use deposit. Balance due or refund for season electrical use will be billed/credited after October, 31.
- Your trailer cannot be left on site after the second Sunday of October without payment of next years deposit by due date. - All site improvements and decks must be approved by management in advance. **Deck size cannot exceed the square footage of the trailer nor extend behind either trailer end.** Site improvements can be removed at time of non renewal or left on site at no expense to Whispering Oaks.
- Seasonal residents are responsible for insuring their camping unit for any unforeseen damage that may occur.
- **Quiet Time runs from 11pm to 7am.** During those hours all residents are expected to minimize outside noise and respect the privacy rights of other campers. Loud music or inappropriate language will not be permitted at any time.
